Observadores

La presentación del Reporte Anual de Progreso es un deber para todos los Miembros Participantes, tal como se establece en los Estatutos de RTRS aceptados al convertirse en Miembro.

*The total number of members above includes eight members whose rights have been suspended. In addition, six organizations with suspended rights are excluded from the total number of Participating Members bound to present the Annual Progress Report as of December 31, 2019; in this sense, such members are not taken into account for the annual publication on the progress of the 2019 Annual Progress Report
