President of the RTRS Executive Board
EXHIBIT A – RESOLUTION PROPOSAL

Dear EB Members,

As anticipated, please find below the resolution which is hereby proposed to be passed by the Executive Board members by means of a “Circular Decision.”

Attached to this email you will find the following documents:

- manual for the approval of resolutions by the Executive Board by means of a “Circular Decision;” and

- draft of the Circular Decision to be executed by the President in the event the Executive Board members consent to the passing of the proposed resolution.

For your convenience, the proposed resolution is included herein below.

- APPROVAL OF THE ELECTED CANDIDATES TO PARTICIPATE IN THE RTRS STANDARD FOR RESPONSIBLE SOY PRODUCTION WORKING GROUP ATTACHED HERIN AS ANNEX I.

Following with the requirements to be met in order to become an ISEAL member, its Code of Good Practice for Setting Social and Environmental Standards - sets forth that the Soy Production Standard shall be revised not less than once every five years and not more than once every three years.

In this context and given that the RTRS Standard for Responsible Soy Production V3.1 - currently in force - was revised in 2016, 2020 was selected as the year of the following revision. In order to assure such revision, a Working Group shall be elected (the “WG”). The objective of this WG is to identify and discuss the current issues related to the responsible soy production, and later deliver a draft of the RTRS Standard for Responsible Soy Production V4.0 to the RTRS Executive Board members by February 2021.

As was agreed during the Executive Board meeting No. 173, the WG members and observers election was carried out through an online voting system available from August 18, 2020 until August 20, 2020. The results of such election are embedded in Annex I, which is hereby submitted for the consideration of the Executive Board members.

Please consider that this resolution is proposed to be adopted by “Circular Decision,” which requires the unanimous written consent of all the Executive Board members to be validly passed.
Should you desire to consent to the passing of the resolution, please respond to this email.

Kind regards,

Marcelo Visconti
Executive Director

P.S. Please send all the notification e-mails to Laura Villegas, laura.villegas@responsiblesoy.org, who will be responsible for dealing with this process.
